

Shopping Alert: The Shades of Blue

The dreamy shades of blue are a universally flattering colour in the world of fashion. You can mix-and-match this fashion neutral colour with other separates with great ease. "While many cool tones of blue featured in the spring/ summer 2019 colour trends of brands world over, the clearwater blue has always stood out extremely prominent. In AW19 collections of brands, the hues of blue will also continue to be on top as a trending tone. It's an easy, breezy colour to style and play with - be it a Galaxy blue jacket, an electric blue dress or a wide range of blue accessories, blue can accentuate every look and body type. In fact the best part of the colour is that it can be toned and undertoned in various shades - Navy Blue, Sky Blue, Aqua Blue, Celestial Blue, Tiffany blue," said Harpreet Kaur, Brand Manager Shein.
